## Hoboken Middle School Chorus

Don't Stop Believin' - Arr. Allan Billingsley

Natsu No Yo Wa\* - Ruth Morris Gray

Hallelujah - Arr. Roger Emerson

## Hoboken High School Chorus

Inveniam Viam\* - Ryan Main

*Descant Solo:* Alana Rivas

Im Still Standin' - Arr. Pete Schmutte

\* *Natsu No Yo Wa* Translation: In the summer night, the evening still seems present, but dawn is here. To what region of the clouds has the wandering moon come home?

\* *Inveniam Viam* Notes: During the second Punic War (218-204 BC) legendary Carthaginian general Hannibal was told by his commanders that it was impossible to cross the alps with an army of elephants and over 40,000 troops. This was his response: "Find a way, I will either find a way or make one. The path is unclear, and the future is unknown. I will choose my limits, I will choose my path."
